1.		[BEGINNING OF RECORDING]
2.	LG:	Hello.
3.	ND:	How we going? Hello?
4.	LG:	Can you hear me?
5.	ND:	Yeah, I can now.
6.	LG:	Hey, how are you today?
7.	ND:	Yeah, alright.
8.	LG:	Question, did you ever use the Serenity that Doc has? Remember that product?
9.	ND:	Which one was that?
10.	LG:	Serenity, it was kind of like a mild TQ um for nervous horses.
11.	ND:	I don't think so.
12.	LG:	I can't get a hold of the mad scientist. Someone needs something for a horse that gets real nervous trailering to the races.
13.	ND:	Right, right.
14.	LG:	I know that the Serenity worked on a couple of horses, but I don't know if it would work in that instance like

		when you had it or not.
15.	ND:	I don't... it doesn't ring a bell for me.
16.	LG:	Okay.
17.	ND:	No, it doesn't... what color label? What label?
18.	LG:	He's changed it so many times. It used to be called another name and I can't remember what that is either.
19.	ND:	Oh, okay.
20.	LG:	His whole smoke and mirror bullshit pisses me off.
21.	ND:	Yeah, I talked to him a week or two back and he was his usual fucking, pain in the ass self. To be perfectly frank with you.
22.	LG:	Yep, yeah. I don't have him talk to too many people because they are usually ex-clients after they talk to him, so.
23.	ND:	Yeah, yeah, I'm alright, I mean, that's alright. I have just known him long enough and it just doesn't perturb me, you know what I mean.
24.	LG:	Right, right.
25.	ND:	You know? Uh just his bullshit with it all and everything else and uh and so forth, it just makes it so difficult. You know?
26.	LG:	I agree. You know that's why...

27.		He's [U/I] and I am sure he has got some good... I am sure that we haven't had access to all, you know, a good... what he knows is a good product or two, you know what I mean?
28.	LG:	Yeah.
29.	ND:	You know, the "Oh you have got to work it out for yourself" and all this nonsense. You know? And that is so frustrating, you know. But I can't remember. That doesn't ring a bell, Lisa. No.
30.	LG:	Alright, well, the next time you place an order I will send a couple of bottles up and see what you think of it.
31.	ND:	Alright, alright, as soon as I just want to get caught up. I'm blunting off Travis and Travis's man and I am helping them and you know, one conquers the other with the little bit of stuff I am using, you know, so....
32.	LG:	Okay.
33.	ND:	But uh, no, I want to catch up first, Alright, dear?
34.	LG:	Ok, you got it. Thanks.
35.	ND:	Thanks, bye.
36.		[END OF RECORDING]
